OUR COMPANY

Nyati Safety & Chemicals has been in the Safety & Cleaning industry since 2018.

We started as a small distribution business which evolved into a dynamic company and has been successfully manufacturing and supplying cleaning detergents, polishes and Safety equipment

Today we are a very well established in the Cleaning and Safety Industry and a viable competitor in the market. Our customers range from wholesalers to distributors to corporate companies and institutions as well as small SMME's.

We do bulk supplying to governmental institutions and offer contract manufacturing with personalised labelling to resellers.

Our main focus is manufacturing high quality, innovative & cost effective cleaning chemicals and top quality Safety equipment and clothing.

We have adapted and evolved into a complete Safety and chemical wholesaler , selling cleaning equipment, consumables and machines.

Toilet paper and paper products as well as hygiene products and dispensers.

WHY NYATI SAFETY?

QUALITY STANDARDS

We carefully select our suppliers, which enables us to supply EN certified products from ISO 9002 accredited suppliers around the world.

SERVICE

Our service and competitive pricing strategies often result in unparalleled levels of value for money and drive our products through a loyal group of large and medium distributors throughout South Africa.

ADVICE & TRAINING

With extensive experience in the various fields requiring PPE, we are able to offer application selection and technical back-up for all products we supply.

INNOVATION

New and innovative products are continually being added to our range and our quality is continually assessed, which ensures that we supply the best possible specialist services to meet the ever-changing needs of the PPE market.

LOCATIONS

We deliver to Johannesburg, Pretoria, Durban, Cape Town and other South African cities as well as the following countries: Zimbabwe, Zambia, Botswana, Malawi, Lesotho and Swaziland. If you are outside of these regions, Please don't hesitate to contact us!
